

Preferred Customer Commitment

One-Stop Shopping

We will arrange for all the services required when buying a home at ERA American Real Estate. Mortgages, homeowner's insurance, title companies/attorneys, termite inspections, surveyors, home inspectors, home warranty, moving companies - we can arrange for any or all of these services at your request.

Real Time Searches

Your name and housing requirements can be entered in our computer to be matched with all new listings that come on the market. This ensures that you will only see properties which meet your financial and physical requirements. And, it gives us time to search for those hard-to-find properties or special needs.

Pre-Approved Mortgage

If the thought of moving twice in a short period of time is unappealing to you, or the thought of several weeks in a small motel room is equally uninviting, take advantage of a Pre-Approved Mortgage. In many cases, it can cut processing time in half!

ERA® Home Warranty

When your home systems and appliances break, your home doesn't have to. A home warranty is a service agreement that assists in covering the cost to repair or replace parts of homes systems and appliances that break over time.

We are dedicated to finding just the right home for you in your price range and to making your move as smooth as possible. If you feel we are not doing our job during the selection process, or if you would prefer to work with another salesperson in our company, please let me know.

We are paid by the Seller at the time you sign the closing papers on your purchase. Our services are free to you, the Buyer, but each salesperson invests many hours in your behalf, helping you to find the right property. In return, we ask that you agree to work only with us until we have found your home.
