

Avoid Fines from Violating the Telephone Consumer Protection Act (TCPA)

Why the TCPA matters to you:

You will be **personally liable** for any violations of the TCPA.

Fines can be as much as **\$500 per call or text**, and add up quickly.

Before making your next call or text:

DO NOT use an **automated platform vendor** to call or text potential customers.
DO NOT leave pre-recorded messages.

Check phone numbers against Do Not Call Lists prior to making any calls or texting.

Get prior written consent before calling or texting a number on the **Do Not Call Lists**.

TCPA Myths Dispelled

Myth 1:

"The TCPA applies to calls, not texts."

NOT TRUE. *The TCPA covers both calls and texts.*

Myth 2:

"I checked the Do Not Call (DNC) Lists when I got the number; I'm covered."

NOT TRUE. *Numbers are added to the DNC Lists all the time. If you haven't recently checked the number against the DNC Lists, you must do so before calling or texting.*

Myth 3:

"A friend gave me this person's number, so I don't need to check the DNC Lists."

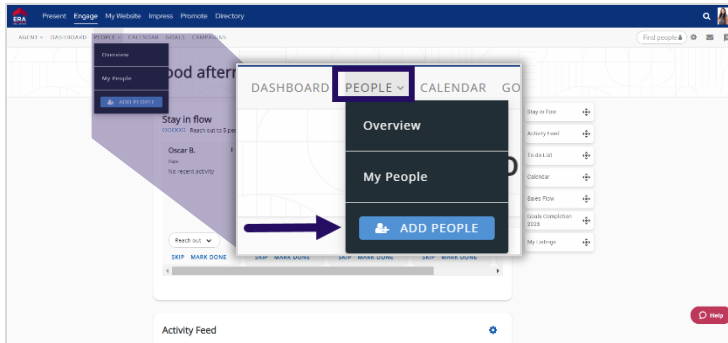

NOT TRUE. *If the person you are going to call or text did not give you the number, you must check the DNC Lists.*
